c. No filming may be conducted in close proximity to major public events anywhere in Downtown Los Angeles as permitted by the LAPD, or identified with 30 days notice to the City's Designated Film Permit Contractor by DLANC. 3. RESIDENTIAL AND MERCHANT PROTECTIONS IN THE DLANC BOUNDARIES

a. A film permit may include no more than 300 feet of curb lane per city block for the parking of film production vehicles, crew or equipment. Requests for additional amounts of curb lane shall require a signature survey. The **Broadway Entertainment District** is exempt from this restriction.

However, under no circumstances shall a generator be placed directly underneath a residential window.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Officers shall ensure compliance with arrival and departure time, and shall not allow any activity or conduct that is in violation of local or state law, nor allow any filming condition that is not authorized by the permit. Variations from the requirements of the permit are not allowed unless approved by an authorized representative of the City's Designated Film Permit Contractor.

SPECIAL FILMING CONDITIONS

LOS ANGELES CITY HALL

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmLA), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The City of Los Angeles recently completed a $300 million dollar renovation and restoration of the historic Los Angeles City Hall. Since its construction, this unique building has been one of Los Angeles' most popular locations. To preserve and protect the historic integrity of the building, while allowing production to continue, the following Special Filming Conditions have been established.

- **FilmLA will coordinate all filming activity at Los Angeles City Hall.**
- **Companies wanting to use City Hall must first reserve the facility through FilmLA's reservation system**. FilmLA will maintain a calendar of filming activity, reserved filming activity, and special events at City Hall. Reservations must be location specific to ensure the area of interest is available.
- **FilmLA will coordinate scouting activity at City Hall.** A General Services representative will be required on production tech scouts. During the tech scout the production company must provide anticipated filming activity information. This information should include areas to be used for filming, lighting design, movements of cast and crew, equipment storage, equipment parking, catering, base camp, and other relevant activities.
- **Following the tech scout, the production company must provide FilmLA a written, detailed list of final requests and other relevant matters,** including, areas to be used for filming, placement of lights, removal or additions of signs, equipment storage, and other relevant information. The FilmLA permit must reflect activity in City Hall and surrounding areas. Activity other than what is listed on the permit will not be allowed.
- **Notification of filming will be coordinated and performed by FilmLA.** FilmLA will ensure the elected officials, city employees and the general public engaged in activity at City Hall are made aware of all film production activity.
- **To ensure agreement between the production company and the City regarding the condition of City Hall and the surrounding areas,** a pre-prep and post-strike walkthrough will be required with a General Services representative.
- **Board of Public Works Hearing Room and the Mayor's Conference room are available for filming on a limited basis.** These rooms are regularly used to conduct city business but will be made available for filming whenever possible.
- **LAPD SECSD Officers will have a 4 hour minimum per officer, per shift, per day.**
- **A production company must cancel a shoot at least 2 business days in advance to avoid incurring any personnel fees.** In the event a shoot is cancelled in in less than 2 business days, the 4 hour minimums may still be due for the LAPD SECD Officers that were hired to serve the production. Refunds for LAPD SECD Officers are at the discretion of LAPD.
- **Production company must provide LAPD Security Services Office with a complete list of names of all cast and crew prior to any activity.** Certain individuals may be exempt for personal security purposes.

NOT A PERMIT

- **For security purposes, all equipment will be searched prior to entering the building.** Cast and crew will also be required to pass through metal detectors.
